3. Conditions of access to applications

The conditions are the same as Discord.

4. Data collection

Your data is and will remain confidential, I will never share/use it without your consent.

Only some data will be collected and stored. At this moment I only store the reason when you warn some members. All other commands only temporary store the information and delete it when the process is finish (generally take less than 1 second)

All data are stored in the same server as the host server, to access/delete all your data you can

- Send a private message to the bot
- Join the support server <https://discord.gg/p3Sj432>
- Email at contact@boteric.fr
- Execute some commands by example the *getwarn
- Go to your profile dashboard on the website (not available at this moment)

11. Security and spam

Eric will never send or use a message if you don't request it.

12. Terms of Sales

All types of payments will not be managed by the Trender group but by a trusted external organization. Thus, we will delegate all responsibility to this organization.

On the other hand, for any service subscribed, you will have a right of withdrawal of 7 days from the receipt of your product.

13. Modification of the General Conditions of Use (GCU)

We reserve the right to modify the T & Cs at any time at our own discretion unless the modification concerns user data.
